Our Story :

IBA MEDİKAL TEKSTİL SANAYİ ve TİCARET LİMİTED ŞİRKETİ, which started its activities in the first quarter of 2007; It is a leading company that has always proven its quality and difference in the hospital uniforms and medical clothing sector...

The comfort and elegance of the users are prioritized by processing the finest details in every step of the products produced, from fabric to sewing.

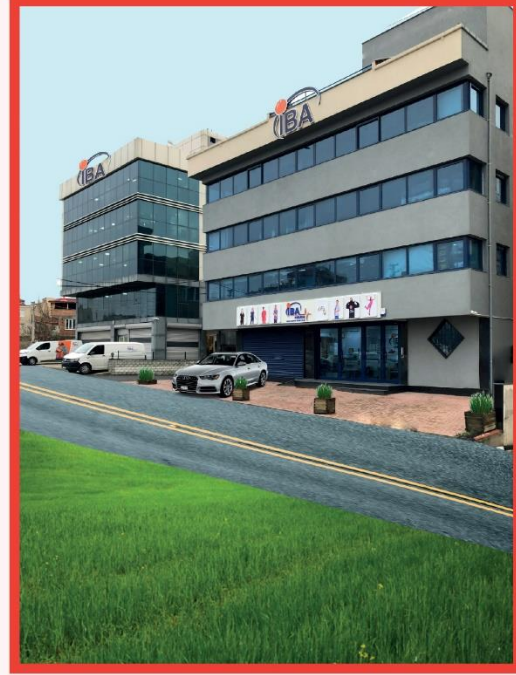

IBA MEDİKAL, which is always the pioneer of innovations in the sector; Carrying the lead in product models, it constantly develops the model range that it can offer to its customers...

Since 2007, it has been producing all kinds of products that health personnel will need with more than 100 different models and types of products.

Today, our company, which serves with a 900m-3 2storey warehouse and shipping facility, provides service with its 2000m2 new production facility, high production volume and new generation machinery.

Our company has production facilities at 3 different points in Çorlu, TEKİRDAĞ for TURKEY, and it has ANKARA regional directorate and sales points in many provinces and districts throughout TURKEY.

In addition, there are Moldova stores and sales representatives in Romania, Russia, Bulgaria, Kazakhstan, Macedonia, Germany, Palestine, Kosovo, Hungary, Serbia, Kyrgyzstan, Lithuania, Slovenia, etc. abroad.
