At ORZAX, we're dedicated to creating premium dietary supplements, merging the bounties of nature with cutting-edge technology. Our founders, experts in medicine, pharmacy, and industrial engineering, bring a collective experience of over 30 years in their respective fields. Today, leveraging our expertise, we have the capability to cultivate raw materials for dietary supplements on our own lands.

With our dedicated R&D facility, we innovate production techniques, meticulously examining these materials. In our state-of-the-art manufacturing facility, we have the capability offer over 300 diverse products in capsule, tablet, soft gel, gummy, effervescent, sachet, and liquid forms. Notably, our commitment to quality means our products are free from artificial flavors and synthetics, ensuring the purest supplements for your well-being.

GIFT TO HEALTH

Effervescent Vitamin C

Vitamin D₃, also known as cholecalciferol, is a vital nutrient that plays a central role in supporting various aspects of health.* Often referred to as the “sunshine vitamin,” it can be synthesized by the skin when exposed to sunlight.

While sunlight is a natural source of vitamin D, factors such as location, skin tone, and seasonal changes can affect synthesis.

Orzax Vitamin D₃ softgels are small, easy to swallow, and crafted with purity in mind. Formulated without artificial colors, chemical preservatives, sweeteners, flavors, or additives, these softgels deliver the essential sunshine vitamin in its truest form.

Benefits:

- Helps maintain healthy bones*
- Provides immune system support*
- Supports healthy mood*
- Supports healthy muscle*

Magnesium Triple Complex

Selenium is an essential trace mineral that the body can not produce on its own. Selenium is found in nature in many different forms, not all forms show the same health benefits. The most important difference is that selenium is organically bound or inorganic bound. Organically bound selenium is used more effectively and is more absorbed by cells than inorganically bound selenium.

Orzax Selenium features selenium in the L-selenomethionine form, bound to methionine, as it is more accessible to the body, maximizing absorption and efficacy.

Benefits:

- Supports immune system*
- Provides antioxidant support*
- Supports normal thyroid function*
- Supports healthy aging*

Oregano oil is derived from the leaves and flowers of the oregano plant (*Origanum vulgare*). Oregano oil is rich in active compounds, including phenols, terpenes, and terpenoids. The two main compounds are carvacrol and thymol.

Carvacrol, the primary compound, is renowned for its versatile uses and robust antioxidant benefits, contributing to the oil's potency. Thymol, responsible for thyme's distinctive qualities, has antioxidant properties. It also impacts the growth of some microorganisms.*

With an impressive 88% carvacrol and 0.3% thymol composition, Orzax Oregano Oil delivers a potent blend with unique significance.

Benefits:

- Supports healthy immune function*

Fish oil is prized for its omega-3 fatty acids, essential polyunsaturated fats that the body cannot produce on its own. EPA and DHA are crucial for various bodily functions.

Orzax Fish Oil is a superior omega-3 experience. Our meticulously crafted formula delivers 1200 mg of fish oil per serving, with a potent blend of 780 mg omega-3s, including 384 mg EPA and 252 mg DHA, all in triglyceride form which is the form naturally found in fish and the form the body most easily recognises and absorbs. The fish oil is obtained from small-bodied fish from cold water, like anchovies and sardines, due to their lower contaminant levels and rich omega-3 content.

Benefits:

- Supports nerve, eye, heart and joint health*
- Supports brain function*

Fish Oil

Vitamin B₁₂, also known as cobalamin, is a crucial water-soluble vitamin that plays several essential roles in the body.

Methylcobalamin is the active form of B₁₂, meaning it is readily usable by the body without the need for conversion. This enhances its bioavailability and ensures that the body can efficiently utilize the vitamin.

Orzax Vitamin B₁₂ provides 5000 mcg vitamin B₁₂ in methylcobalamin form as sublingual tablets for better absorption.

Benefits:

- Supports energy metabolism, memory, mood, nervous system*
- Supports cardiovascular system health*
